

Setting Up Your VSA Trainer Search Listing

All VSA Dog Trainer Course Graduates have the right to be listed on the VSA website's Trainer Search page. This page can be found at www.vsdogtrainingacademy.com/trainersearch.

In order to get your listing set up, please provide the following via email to alumni@vsdta.com:

- Name as you would like it to appear in the search
- Business name (if any)
- Preferred phone number (remember, this will be publicly available)
- Preferred email address
- Business website (if any)
- The address you would like to use for the search function
- Whether or not you want your street address listed publicly or not (all listings include city/state/zip). Also let us know whether or not you would like the search pin to use your actual address or not. For some trainers who work from home, they may want to use the general area, but not publish where they live for all to see. In those cases, we move the pin to a nearby, random location on the map interface.
- Business logo if any
 - Max dimension on the longest side (width or height) should be 100 pixels
 - JPG, GIF, PNG image file formats accepted
 - PDF format not accepted

Note that if you do not upload a business logo, your default logo will be the VSA Dog Trainer Course Graduate Badge (below):

Also note that on the VSA website's trainer search, licensed VSPDT trainers will also be listed alongside VSA graduates.
